Day, Overnight or Weekend

with Kerri Oliver

Our daily lives (and photos) are brimming with "God moments." Faithbook photo albums help you to see God's work in your life through pictures and stories. Learn about crafting faith-themed albums and ways to introduce "faithbooking" into the albums you've already created. This weekend is designed for those who already enjoy scrapbooking and those who are interested in learning the craft. The majority of the time is spent independently scrapping while surrounded by others who share a passion for album making. The workshop leader will offer ideas and teach new techniques. **There will be optional sharing time and "surprise" faithbooking gifts appear throughout the weekend.** Bring your album project and all your supplies. Products will also be available for purchase.
